GLOBAL CITIZENSHIP IN ACTION

AFRICA SERIES- UN GLOBAL GOALS

'These are universal goals for all people and are inherently global in nature. Learning about these initiatives helps students develop insights into issues around the world, such as lack of access to clean water and gender equality'

THE GLOBAL GOALS

Learning

20 minute class or school assembly. Talking about what it means to be a global citizen and introducing the UN Global Goals. Using film and engaging discussion from young people in Malawi.

Engaging

30-60 min class or club lesson. A deeper look into the UN Global Goals. Do they mean the same to young people in UK as they do to young people in Malawi? How can we be part of achieving the Global Goals by 2030 and why should we be thinking about ourselves as Global Citizens.

'The Global Goals affect all 7 billion people on Earth and for them to be met, it is crucial that everyone is aware of and have knowledge of them. Only then can we take action and contribute to making the world a better place.'

ORBIS CONSULTANCY

Empowering young people

Orbis Cunsultancy is part of Orbis Expeditions, a UK based sustainable travel company with a base in Malawi, Africa.

Our expeditions engage young people with the wider concept of Global Citzineship and provide an opportunity to see the UN Global Goals (SDG's) in action.

Each workshop can be done remotely via Zoom, Teams or Skype and is delivered by Kate Webb (Director of Orbis Expeditions)

Workshops are suitable for 9-18yr olds and can be tailored to suit your group, time and objectives.

Costs: Donation based. Suggested £100 for assembly style and £150 for class sessions. Follow up resources provided.
